

PRODUCT

7DCO

10-year Carbon Monoxide Alarm with Digital Display

DESCRIPTION

Sleek, lightweight battery-powered CO alarm provides long-term protection against the dangers of deadly carbon monoxide and provides continuous monitoring of CO levels, the 10-year sensor lasts longer than most other CO alarms.

KEY FEATURES

- **Continuous monitoring** of carbon monoxide
- **Digital display** clearly shows levels of carbon monoxide
- **Peak level display** allows the highest CO level recorded between 11-999ppm to be displayed
- **Tested and approved** for use in boats and caravans
- **Multi-function green and red LEDs** to indicate power and alarm status
- **End-of-life warning** alerts user to replace alarm after 10 years of protection
- **Test/Reset button** to allow regular testing of alarm function
- **Battery operation** – 3 x AA alkaline batteries supplied as standard

WHERE TO USE

This slim, easy-to-use alarm is ideal for use in all living areas and can be installed on the wall, where the digital display can easily be seen, or used freestanding on a table or shelf. It is also conveniently portable so can be taken away on holidays or used on boats or in caravans for added peace-of-mind.
